

Spokane Figure Skating Club / Lake City Figure Skating: Sponsorship Form

Thank you for considering a sponsorship to support our local figure skaters at both the recreational and competitive levels. Figure skating is a wonderful life-long sport, and also a tremendous way for our athletes to develop self-confidence, discipline, sportsmanship, and personal responsibility. Each sponsorship allows us to keep our program affordable, provide quality instruction to all of our athletes, and give our skaters multiple performance and competition opportunities annually. We are grateful for your investment in our skating community. You are helping today's youth sports athletes become future champions!
